ABOUT US

DAINON GENERAL TRADING CO. W.L.L. IS A KUWAIT-BASED INTERNATIONAL TRADING COMPANY SPECIALIZING IN RAW MATERIALS, NATURAL RESOURCES, METALS, STEEL, PETROLEUM, PETROCHEMICALS, PLASTICS, PAPER SCRAP, AND RECYCLING SOLUTIONS. THE COMPANY IS ALSO ACTIVELY INVOLVED IN THE INVESTMENT AND TRADING OF CHROME AND IRON ORE MINES, SUPPORTED BY EXTENSIVE EXPERIENCE IN CONSTRUCTION AND STEEL TRADING.

WITH ADVANCED WAREHOUSING FACILITIES IN KUWAIT AND A STRONG GLOBAL NETWORK OF SUPPLIERS AND STRATEGIC PARTNERS, DAINON PROVIDES EFFICIENT SOURCING, STORAGE, AND EXPORT OPERATIONS. THE COMPANY OPERATES INTERNATIONALLY THROUGH ITS SUBSIDIARIES, DAINON UK LTD AND DAINON INDIA PVT LIMITED, ENSURING RELIABLE GLOBAL SUPPLY CHAIN MANAGEMENT ACROSS MULTIPLE MARKETS.

DAINON HAS ESTABLISHED STRATEGIC PARTNERSHIPS WITH LEADING INTERNATIONAL MANUFACTURERS, INCLUDING LONGTENG SPECIAL STEEL, ONE OF ASIA'S MAJOR STEEL PRODUCER, FOR WHICH DAINON SERVES AS THE OFFICIAL REPRESENTATIVE ACROSS THE MIDDLE EAST.

THROUGH FLEXIBLE COMMERCIAL SOLUTIONS, INTEGRATED LOGISTICS SERVICES, AND A STRONG COMMITMENT TO SUSTAINABILITY, DAINON CONTINUES TO DELIVER HIGH-QUALITY PRODUCTS AND DEPENDABLE SERVICES WHILE SUPPORTING ENVIRONMENTAL RESPONSIBILITY THROUGH RECYCLING AND INDUSTRIAL WASTE RECOVERY.

OUR STORY

Dainon journey began with a bold vision and a genuine passion for building a company capable of making a lasting impact in the metals and raw materials industry. Through dedication to quality, hard work, and trusted partnerships, the company has grown from modest beginnings into a recognized and reliable name in both local and international markets.

Over the years, Dainon has continuously expanded its operations across metals and steel trading, scrap and recycling, petroleum and petrochemical products, and industrial raw materials, supported by a strong global network of suppliers and strategic partners. Its international presence has been further strengthened through its subsidiaries and operations in the United Kingdom and India, enabling the company to efficiently manage global supply chains with reliability and precision.

Today, Dainon stands as a trusted partner in supporting industries and global supply networks, committed to delivering integrated commercial solutions, advancing sustainability, and contributing to a stronger and more sustainable industrial future.

OUR COMMITMENT

- Quality in every shipment
- Transparency in every deal
- Reliability in every partnership

At DAINON, these principles guide every operation, from sourcing and inspection to delivery and long-term client relationships.

WHY DAINON

At Dainon, we don't treat clients as customers — we treat them as partners.
We focus on:

RELIABLE SUPPLY CHAIN

COMPETITIVE PRICING

FLEXIBLE OPERATIONS

**LONG-TERM
COLLABORATION**

Our goal is simple: remove obstacles, simplify trade that lasts.

BUSINESS DIVISIONS & PRODUCT PORTFOLIO

Metals, energy, petrochemicals, and raw materials, delivering reliable and integrated supply solutions to both local and international markets.

Metals, Steel & Raw Materials Division

This division provides a comprehensive range of steel and metal products serving the construction, infrastructure, manufacturing, and industrial sectors, including:

- Structural steel and reinforcement bars
- Steel beams, angles, and channels
- Steel sections and hollow tubes
- Steel plates, coils, and bars
- Carbon steel and stainless-steel pipes
- Marine Engineering Products.
- Offshore Engineering Products.
- Mining Industry Products like Grinding Balls.
- Oil & Gas Engineering Products.
- Automotive Engineering Materials.
- Aluminum products, ingots, and profiles

BUSINESS DIVISIONS & PRODUCT PORTFOLIO

Specialized Steel Products & Industrial-Grade Materials

This includes advanced steel products and durable materials designed for heavy-duty industrial applications, fabrication, manufacturing, and project-based supply requirements.

BUSINESS DIVISIONS & PRODUCT PORTFOLIO

Scrap & Recycling Division

Specialized in sourcing and supplying high-quality recyclable metal materials in compliance with international standards, the division offers:

- Heavy Melting Scrap (HMS) and Light Melting Scrap (LMS)
- Auto parts scrap, pipes, and rebar scrap
- Shredded and galvanized steel scrap
- Non-ferrous metals including Copper, Aluminum, Brass, Zinc, and Lead

Energy & Petroleum Products Division

The division supplies a wide range of petroleum and energy products essential for industrial, construction, and manufacturing applications, including:

- Base oils (virgin and recycled)
- Furnace oil and fuel oil
- Bitumen and asphalt
- Hydraulic oils

BUSINESS DIVISIONS & PRODUCT PORTFOLIO

Petrochemical Division

Focused on industrial petrochemical materials and chemical supply solutions, this division provides:

- Low Aromatic White Spirit (LAWS)
- Mono Ethylene Glycol (MEG)
- Di Ethylene Glycol (DEG)

Plastic Raw Materials Division

This division supplies plastic raw materials and recycled polymer solutions for industrial manufacturing and commercial applications, including:

- Recycled LDPE and HDPE granules
- Prime-grade plastic raw materials
- Off-grade LDPE / HDPE materials
- HDPE, LDPE and PP regrinds

These business divisions reflect Dainon capability to deliver reliable, scalable, and end-to-end trading and supply chain solutions while maintaining the highest standards of quality, and customer commitment across global industrial markets.

PRODUCTS

1. Metals, Steel & Raw Materials

- Steel Products Range
(Sections, Plates, Angles, Channels and Tubes)
- Longteng Special Steel Products
- Raw Material
- Tubular Products

Seamless, welded, ERW and Carbon Steel pipes and tubes (used in high-pressure, high-temperature environments like oil and gas drilling and structural purposes, water lines, and general construction)

2. Scrap & Recycling

- Ferrous Materials
- Non-Ferrous Materials

3. Energy & Petrochemicals

4. Industrial Waste

STRUCTURAL STEEL

- Steel Plates
- Beams (I-Beam / H-Beam)
- Angles
- Channels (U / C Channel)
- C-Purlins / Z-Purlins
- Narrow flat strip and Flat Bars

ENVIRONMENTAL RESPONSIBILITY

Dainon General Trading Co. WLL places strong emphasis on environmental responsibility and sustainability through the expansion of its recycling activities and the efficient utilization of industrial waste by transforming it into economically valuable resources. The company is committed to reducing the environmental impact of industrial operations by implementing responsible practices in the collection, sorting, processing, and reuse of recyclable materials, thereby supporting the circular economy and the preservation of natural resources. Dainon also strives to provide integrated commercial and logistics solutions that comply with international environmental standards, reflecting its commitment to sustainable development and corporate social responsibility.

LOGISTICS & OPERATIONS

Dainon also operates large-scale warehouses and storage facilities in Kuwait, strategically equipped to support storage, handling, and shipment management operations efficiently. This enables the company to handle high-volume materials and products while ensuring fast supply capabilities and accurate delivery performance.

Through its operational presence in Kuwait, the United Kingdom, and India, Dainon maintains a high level of flexibility in sourcing and logistics, allowing the company to respond quickly to the demands of different international markets while maintaining transparency and operational precision.

At Dainon, logistics is not limited to transportation alone – it is about delivering integrated operational solutions that ensure business continuity, reduce risks, and build long-term partnerships based on trust and reliability.

GLOBAL PRESENCE

Dainon General Trading Co. operates with a strong international footprint, combining local expertise in Kuwait with global reach across key markets.

Kuwait – Head Office

Kuwait serves as the strategic hub for Dainon operations, where sourcing, warehousing, and export activities are efficiently managed.

With well-established infrastructure and extensive operational capabilities, our Kuwait base enables us to handle large volumes, ensure quality control, and deliver shipments with speed and precision.

United Kingdom

Through DAINON UK LTD, we strengthen our presence in European markets, facilitating international trade, expanding supplier networks, and supporting global client requirements.

India

Through DAINON INDIA PVT LIMITED, we enhance our sourcing and trading capabilities across Asia, ensuring access to key raw materials and competitive supply channels.
